

“A community coalition focused on improving weatherization and energy efficiency for those in need through education and volunteer work projects.”

Needed:

Volunteers to teach households how to save energy!

The CWC is looking for energetic and dedicated volunteers who would like to be trained to perform comprehensive energy surveys for Alachua County households in need.

Make a Difference: CWC auditors help shield some of our community’s most vulnerable residents from high utility costs. In the process, they strengthen our local economy and make our community more environmentally sustainable.

Fall 2010 Training:

Wednesday, Sept. 22 (6pm- 9pm)

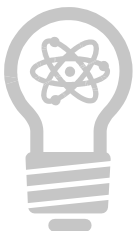

Wednesday, Sept. 29 (6pm- 9pm)

Saturday, Oct. 2 (10am- 5pm)

Volunteers must attend all three training dates and undergo a background check, and are asked to donate a minimum of \$20 to help offset the cost of the training. Scholarships are available.

To register for the training, or for more details, contact the CWC at: (352)450-2100 or cwc@RebuildingTogetherNCF.org

Sign up online: <http://rebuildgainesville.wordpress.com/cwc/> and click on “Auditor SIGN-UP” near the bottom of the page.

CWC VOLUNTEER ENERGY AUDITORS ARE TRAINED TO:

- Provide comprehensive energy audits on a home.
- Point out behavioral changes that can help residents save money.
- Complete some of the recommended energy saving measures on-site.
