Green Halloween® is a non-profit community initiative to create healthier and more Earth-friendly holidays, beginning with Halloween. Green Halloween began in the Seattle-area in 2007 and went nation-wide in 2008, thanks to wide-spread media exposure, word of mouth marketing and online buzz as well as the support and enthusiasm of people and businesses all over the country. If you would like to sponsor this event, host an exhibit booth, or volunteer to help make this event a success, please contact us at [programs@usgbcheartfl.org](mailto:programs@usgbcheartfl.org) or 352-328-3121.
