Program Director for Resource  
Efficient Communities  
UNIVERSITY OF FLORIDA

**Susan Churuti**

Attorney  
BRYANT MILLER OLIVE LAW

SAVE THE DATE

**Friday, August 6, 2010 at 12pm**

John Wakefield, the Senior Vice President of ECO<sub>2</sub>ASSET SOLUTIONS, along with a panel of guest speakers will give an overview of Energy Finance Programs (PACE), which are a solution for governments to achieve their energy conservation and greenhouse gas reduction goals while stimulating their local economies. These programs have multiple benefits: one of which is the benefit to property owners in financing renewable or energy efficiency, and wind resistance improvements to their property.
