MEMBERSHIP OPPORTUNITIES

USGBC National Membership (for organizations)

Whether your company is new to environmentally sustainable building or deeply involved in shaping the future of green design, USGBC is your best connection to the people, knowledge, and tools you need to leverage green building throughout your business. As a USGBC member, your organization will join a community of more than 15,000 member organizations, all proving that you can green the built environment and your bottom line.

USGBC National Members enjoy many benefits including member only discounts, exclusive green building tools and resources, and opportunities to network, build key relationships, get noticed, and get involved in shaping the future of green building.

Valuable Discounts include savings on Greenbuild International Conference & Expo registration, attendance at LEED Training Workshops, purchase of LEED Reference Guides, LEED AP Exams, LEED Project Registration, and LEED Certification.

Exclusive Array of Tools and Resources include a free subscription to the award-winning GreenSource magazine, access to USGBC Credit Interpretation Rulings (CIRs), a valuable resource when studying for the LEED AP exam, researching product relevance, and evaluating the likelihood of achieving LEED credits, and members-only access to a number of online resources and green building data.

Opportunities to Network, Get Noticed, and Get Involved include serving on a LEED or USGBC committee to shape the future of LEED and green building, participating in a Member Circle, member-driven exchanges of ideas, resources, and discussion forum, making industry-wide contacts beyond your business area, distinguishing your company in the marketplace by using the USGBC member logo on your Web site and in your company's marketing materials, and listing your company in USGBC's exclusive online Member Directory.

Heart of Florida Chapter Membership (for individuals)

USGBC National Membership does NOT mean you are a member of the Heart of Florida Chapter. As a USGBC Heart of Florida Chapter member, you will join more than 200+ other members – architects, interior designers, engineers, contractors, building owners, facility managers, non-profit organizations, homeowners, government representatives, and many others – who are interested in shaping the future of green design and development in our region.

Benefits include:

- Discounted rates on many diverse programs and events.
- Opportunities to participate in chapter committees, such as our Residential Green Building Committee
- Networking opportunities with key people shaping the future of the our region
- Access and notification of local educational opportunities
- Gain direct knowledge about green building, create brand awareness, and lifelong learning opportunities surrounding sustainable and green building principles and LEED
- Contribute your expertise to a committed community that is working towards making this region green and prosperous

You DO NOT have to be a USGBC National Member to join our chapter. Membership to the Heart of Florida Chapter is as follows (benefits are the same for all member types):

- \$50 per year for USGBC National Members
- \$65 per year for non USGBC National Members
- \$25 per year for full-time students at an accredited college or university.

- Complimentary tickets to the event for exhibitors.
- Company logo on event flyer and chapter's website announcing the event.
- Power point screen display of company's logo and contact information.
- Copy of attendees' registration information.
- The opportunity to make opening remarks.

Dual Company Sponsorship (min. \$150*)

- Table/booth for display of each company's materials.
- One complimentary ticket to the event for each company's exhibitor.
- Company logo on event flyer and chapter's website announcing the event.
- Copy of attendees' registration information.

Group Sponsorship (min. \$100*)

- Table/booth for display of each company's materials.
- One complimentary ticket to the event for each company's exhibitor.
- Company logo on event flyer and chapter's website announcing the event.

*Sponsorship fees may be higher depending on venue and/or the nature of the event.

Become a Chapter Sustainer

The USGBC Heart of Florida chapter seeks partnerships with cutting-edge green builders and community designers throughout our region. Many companies whose values align with our own have made a commitment to supporting our chapter's activities by making an annual contribution. These gifts provide our chapter with a reliable source of funding, and offer our sustainers greater visibility within the green building community.

We offer our annual sustainers the following benefits:

Platinum Sustainers (\$1,500) and up!

- Logo and a brief description of the company will be included on the chapter's website.
- Complimentary tickets to select chapter events throughout the year.
- Platinum level recognition at monthly events.
- Recognition plaque at the chapter's annual membership social event.

Gold Sustainers (\$1,000)

- Logo and a brief description of the company will be included on the chapter's website.
- Two complimentary tickets to select chapter events throughout the year.
- Gold level recognition at monthly events.
- Recognition plaque at the chapter's annual membership social event.

Silver Sustainers (\$500)

- Company logo will be included on the chapter's website.
- Silver level recognition at monthly events.
- Recognition certificate at the chapter's annual membership social event.
