

# Want a GREEN career?

Are you interested in FREE training for green jobs?

FloridaWorks may be able to assist you with training, certification, and employment in these growing industries – at NO COST to you!

**What is a green job?** Green jobs provide products and services that use renewable energy resources, reduce pollution, and conserve energy and natural resources.

**Green jobs career opportunities include (but aren't limited to):**

- Energy Auditors & Engineers
- Weatherization Technicians
- Construction Carpenters
- Environmental Management
- Plumbers/Electricians
- HVAC Technicians
- Air Quality
- Geographic Information System
- Stormwater Management
- Lead & Asbestos Abatement
- Water and Wastewater
- Field Sampling
- Solid Waste
- ...and more!

## Eligibility:

To qualify for training funded by FloridaWorks you must meet the following minimum requirements:

1. 18 years of age or older
2. A United States citizen or authorized to work in the United States
3. Males born after January 1, 1960, must be registered with the U.S. Selective Service
4. Unemployed or if employed wages equal to or less than \$25.00 per hour

**Orientation:** If you are interested in learning more about green training scholarships, please attend the WIA Orientation on Wednesday at 11 A.M. or Thursday at 3 P.M. at FloridaWorks, 4800 SW 13th Street, Gainesville, FL 32608.

**Questions:** Please attend an orientation, as noted above or call (352) 955-2245 or email Vicki Piazza at [vpiazza@floridaworksonline.com](mailto:vpiazza@floridaworksonline.com).

Visit [www.FloridaWorksOnline.com](http://www.FloridaWorksOnline.com) for more information about training, jobs and workshops.
